The ITAM GIS Program is located within Range Support at Fort Sill, OK. Fort Sill ITAM GIS provides these geographic data "as is." Although proper GIS data development procedures have been followed in accordance with Federal and Industry standards, Fort Sill ITAM GIS makes no guarantees or warranties concerning the accuracy of any information contained, the condition of the product, or its fitness for any particular purpose. The burden for determining fitness for use lies entirely with the user. See source data, or conduct field surveys, for the most accurate portrayal of any data layer. Although these data have been processed successfully on computers at the Fort Sill ITAM GIS Program, no warranty, expressed or implied, is made by the Fort Sill ITAM GIS Program regarding the use of these data on any other system, nor does the fact of distribution constitute or imply any such warranty. In no event shall the Fort Sill ITAM GIS Program have any liability whatsoever for payment of any consequential, incidental, indirect, special, or tort damages of any kind, including, but not limited to, any loss of profits arising out of use of, or reliance on, the geographic data provided by the Fort Sill ITAM GIS Program.
